

## **Investment Counsellor**

### **Vancouver**

**MD Physician Services**, a Canadian Medical Association company, provides financial and practice management services to Canadian physicians.

A goal-oriented team player, you will provide client relationship management for discretionary portfolio management services offered to higher net worth clients. Based on referrals from Financial Consultants, you will meet with potential clients, and apply your solid communication, business development and sales skills. Your degree is enhanced by at least 5 years of experience delivering discretionary investment management services to high net worth clients. You hold, or are working towards, a CFA designation (Level 1 minimum), and are registered, or able to be immediately registered, with the appropriate provincial securities commission as an Investment Counsellor. Your demonstrated networking abilities will serve you well in this role, as will a working knowledge of Word, Excel and portfolio management software. This position involves travel.

This is your opportunity to contribute to a corporate culture based on teamwork and service excellence. For more information, visit <http://md.cma.ca/careers/> to register and apply online.

*MD Physician Services Inc. is an equal opportunity employer. We thank all candidates for their interest; however, only those being selected for an interview will be contacted.*
